Report crime online

Did you know that you can report certain types of crimes to the Calgary Police Service online? When you use the CPS Citizen Online Police Report System, you can submit a report about a crime immediately and print a copy of the police report for free.

When you use the quick and easy online reporting system, it can help you by providing reports for your records. It also helps the police to identify and address crime trends in your area.

What can I report online?

The online reporting system currently takes reports about the following crimes, as long as their value is less than \$5,000 (Canadian), there's no known suspect, and the incident happened within Calgary's city limits:

- Lost Property
- Theft
- Damage/Mischief to Property
- Theft from Vehicle
- Damage/Mischief to Vehicle

How do I report a crime online?

To report crime online, go to www.calgarypolice.ca, and click on "Citizen Online Police Report System." Follow the screen prompts to fill in the information and submit your report. If you have a problem with the system, there's 24-hour support available at 403-206-8318.

When you're finished, you can print a copy of the police report to keep for your records. Police will review your case, and will contact you if needed.

SAFETY TIP

Please dial carefully! The Calgary Police Service and other Emergency Services remind office staff to dial carefully if they use a dial 9 pre-fix. Everyday numerous misdials tie up emergency resources. Please dial carefully and if you connect to "911" by accident, please stay on the line. Do not hang up. Your co-operation is appreciated!
